CHECK-IN

Unit Check-In is in the Lobby of the Performing Arts & Athletics Center (PAAC). Enter in the large glass doors at the top of the large staircase. The unit check in table will be located to the right just inside those doors.

Units can be dropped off in the circle drive at the base of the stairs for convenience, but buses/vehicles should be moved to the appropriate parking area(s) as shown on the map immediately after unloading.

FLOOR/PROP UNLOADING & STORAGE

Floor/prop unloading is on the south of the PAAC as shown on the map. There is a short walk to the floor/prop holding area. A student worker will be present to assist with any questions.

All floors/props can be stored in the hallways on the lower level of the performance gym. All storage areas will be marked with signs. We strongly encourage performing groups to load floors/equipment back into their trailers immediately following their performance to keep the storage area open for upcoming groups.

HOLDING AREAS

Small holding areas for each performing group are located throughout the North side of the PAAC from the Lobby as shown on the map. Signs will be placed for each group.

DRESSING AREAS

Students will have access to “performers only restrooms” across from the auditorium doors, as well as the restrooms at the end of the hallway near the band room.

WARM-UP AREAS

Both warm-up areas (A & B) are located on the performance level (downstairs) beneath the Performance Gym on the south side of the building as shown on the map. The warm-up rooms are connected - please be courteous of groups that are warming up as you pass through each room.

Please report to the top of the staircase located behind the concession stand in the lobby at least 5 minutes prior to your warm up time. Your guide will meet you there and escort you to warm-up and through the performance flow. Call or text Russell Harris (405-604-1129) with any questions.

PERFORMANCE VENUE & TIMELINE

The timeline will be vertical. Performers will enter from the back left (audience perspective) and exit from the front right (audience perspective) as shown on the map.

FLOOR FOLDING

Floor folding will be outside on the Southeast side of the PAAC just outside the performance gym. An area of the parking lot will be blocked off to allow groups the space to fold floors. Your student guide will take you to the floor folding area after your performance. Please re-enter through the main lobby doors. If one of your groups will need assistance folding your floor, let us know and we will have Deer Creek Students available to help.
