

WGPO Contest Choctaw High School

February 14, 2026

Contest Flow

- **Check-In**

Check-in will be at the Freshman Center entrance, as designated on the map. This will be the entrance for all performers with a performer wristband. No spectator wristbands, or those without a wristband should enter this area per WGPO guidelines.

- **Unit Unloading**

Units may unload in front of the Freshman Center as notated on the map. Units will proceed through the Freshman Center and to the warm-up area.

- **Warm-Up Area**

You will have guides to assist you in moving to the warm-up areas. The route to the performance site is notated on the map. This includes outside travel, and it is recommended that units take this into account.

- **Floor/Prop Unloading and Loading**

Floor/Prop loading and unloading will be at the unit entrance, as noted on the map. Choctaw personnel will be available to assist you.

- **Performance Site**

You will travel outside from the warm-up area to the performance site. The timeline for this contest will be vertical. For all other performance guidelines, please consult the WGPO information found at wgpoklahoma.org. Large props may be stored at the back of the performance gym or the hallway behind the gym. All units will exit through the same doors as the entrance. (A member of our staff will be available to assist in this coordination.)

There is adequate seating for all those with a spectator as well as a performer wristband on the home side.

STAFF VIEWING: there will be a reserved area in the center at the top of the spectator viewing area. Please limit staff to this area during your performance only so that others may utilize this very high vantage point.

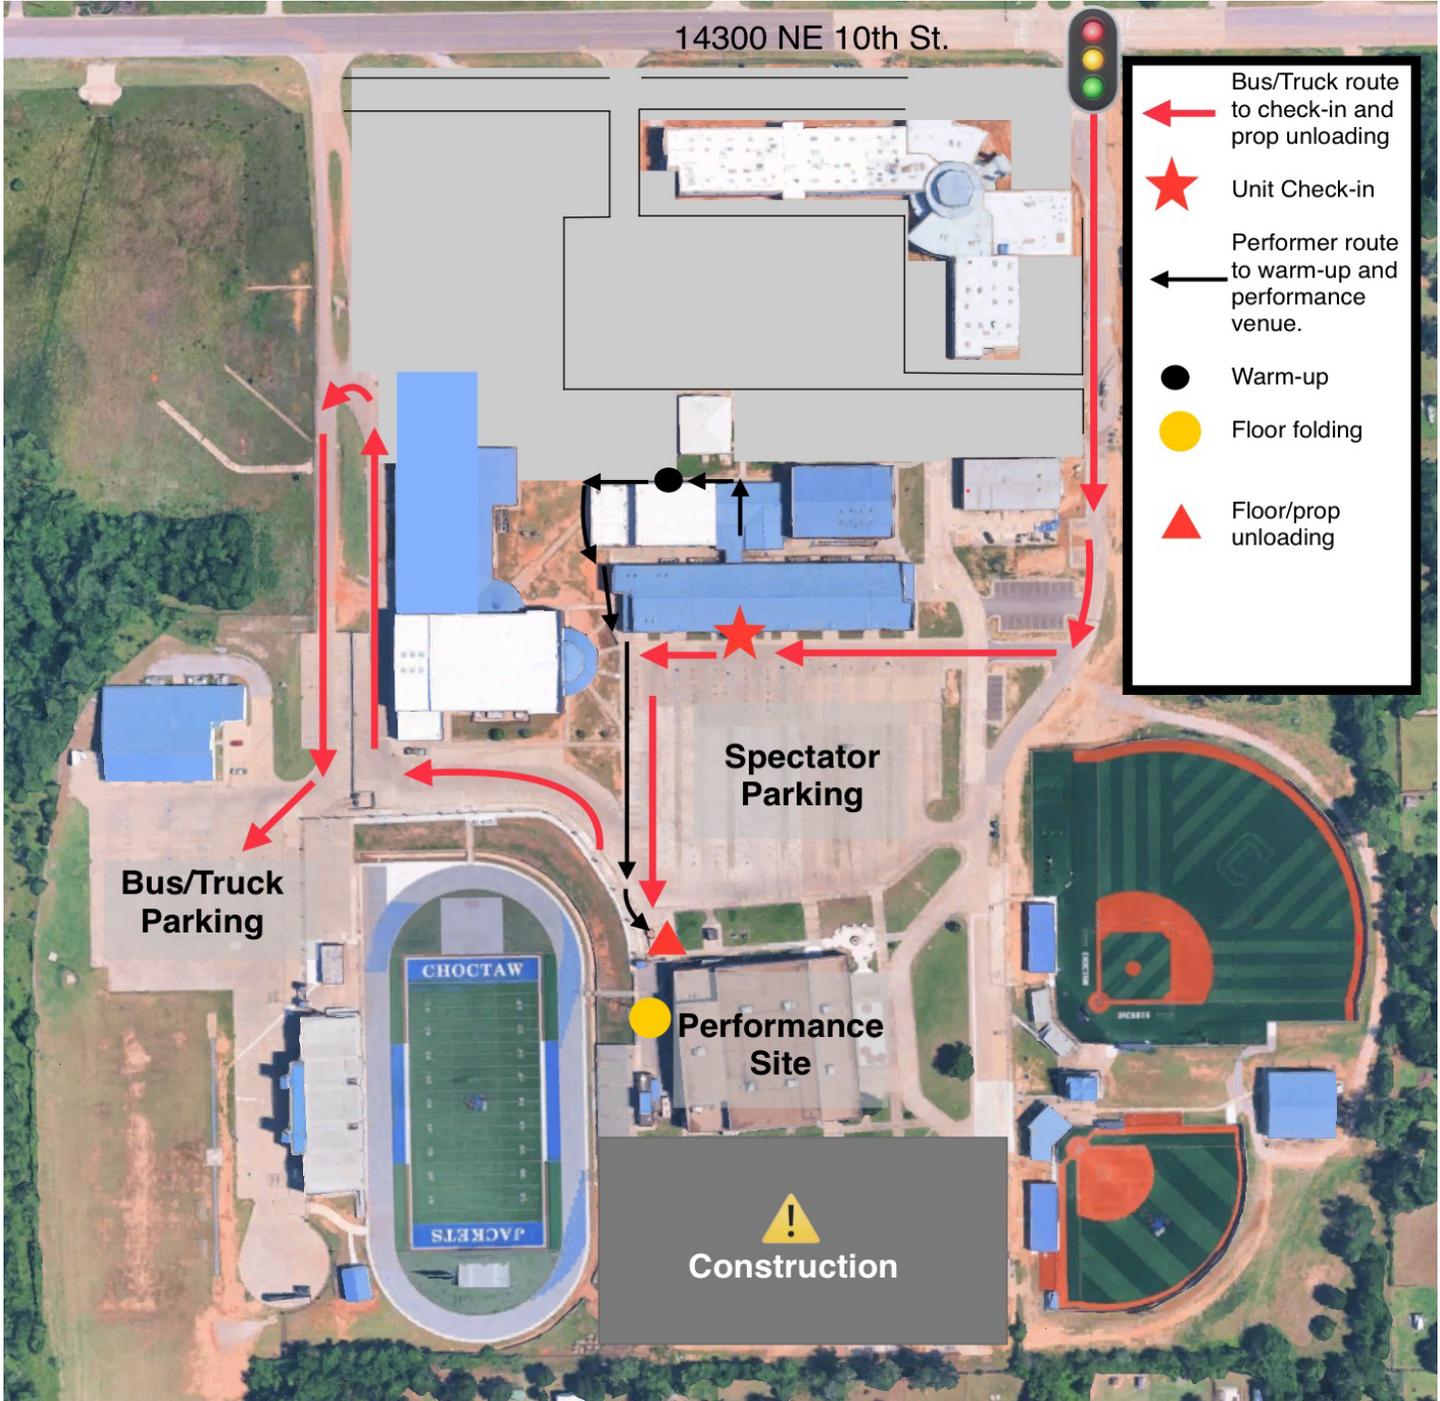

- **Floor Folding**

After your performance, you will be led through the wrestling room to the floor folding area, which is located outside and next to the performance area as notated on the map.

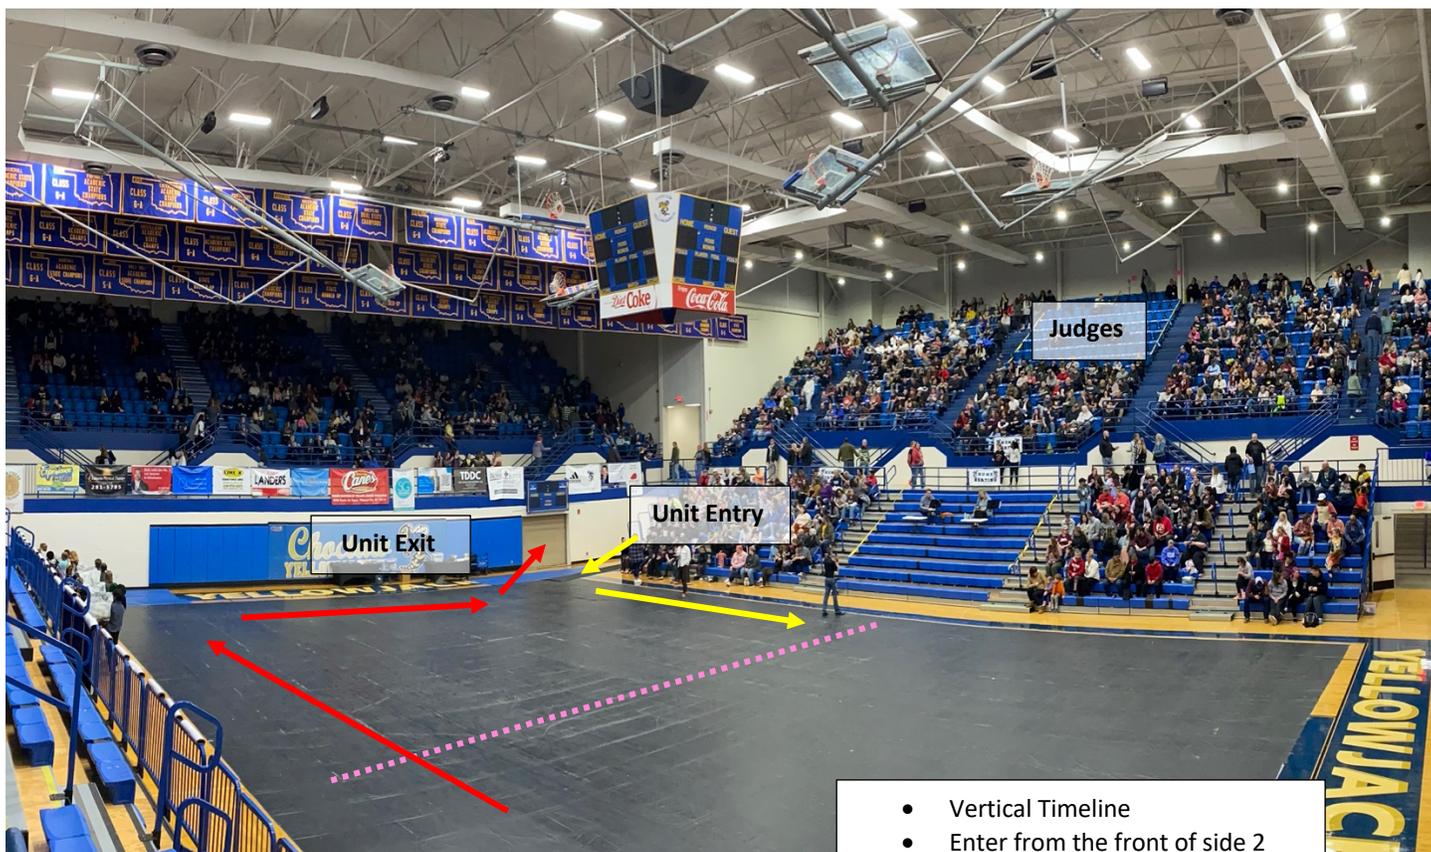

- **Concessions/Souvenirs**

Concessions, along with a variety of shirts and other souvenir items, will be available in the lobby of the performance area. Food and drinks are not allowed inside the performance area; however, the contest floor can be viewed from the concession area.
